

# Miniature Bull Terrier

## **DO NOT SPAR**

Examine on Table

**Height** – 10” to 14”

**General Appearance.** - Strongly built, symmetrical, active, courageous and full of fire, with keen, determined, and intelligent expression. Even temperament and amenable to discipline. Moves smoothly, covering ground with, free, easy strides. Jaunty air suggesting agility and power. Just off square.

**Head** - Long, strong, deep to end of muzzle, with oval outline.

**Forehead** - Flat between ears. The profile to curve gently downward from the top of the skull to the tip of the nose, i.e., egg shaped. **Eyes** - Well sunken, dark as possible, small, triangular, and obliquely placed, set high on head. **Ears** -Small, thin, close together, held stiffly erect.

**Teeth** -Level or scissors with correctly placed canines. **Nose** -Black and bent downward at the tip.

**Body** - Well rounded with marked rib spring and short coupled. **Neck**

- Long, arched, muscular, free of loose skin. No slackness or dip behind withers. **Back** -Short strong with slight arch over loin.

**Underline** -Graceful upward curve. **Tail** - Short, set low carried horizontally. **Shoulder blades** -Wide and flat and about the same length of the upper arm. **Legs** - big boned, of moderate length, perfectly straight. **Hocks** well let down with well bent stifle. **Hind pasterns** -Short and upright. **Feet** - Round, compact. Cat like.

**Coat** - Straight, short, flat and harsh with fine gloss.

**Color** - For white, pure white. Markings on head and skin pigmentation are not to be penalized. For colored, any color to predominate. Allowed colors: Brindle, Black Brindle, Black and Tan, Red, Fawn, with or without white and smut markings.

**Gait** - Smooth, free, easy strides.

## **DISQUALIFICATIONS:**

-Blue eyes.

-Any color other than allowed.
